

THE 40-DAY PROSPERITY PLAN

(From The Abundance Book by John Randolph Price)

Here is a program for realizing abundant prosperity in your life and affairs. It takes 40 days for consciousness to realize a truth. A break during the 40 day period releases the energy being built up around the idea. Therefore, there must be a definite commitment to faithfully follow this program each and every day for 40 days — and if you miss even one day, to start over again and continue until you can go the full period with perfect continuity. Here is the course of action:

- Establish a specific date to start your program, such as the beginning of a particular week. Count out 40 days on your calendar and mark the completion date.

- On the first day of the program write the statement shown below in your spiritual journal:

This day (show actual date) I cease believing in visible money as my supply and my support, and I view the world of effect as it truly is... simply an outpicturing of my former beliefs. I believed in the power of money, therefore I surrendered my God-given power and authority to an objectified belief I believed in the possibility of lack, thus causing a separation in consciousness from the Source of my supply. I believed in mortal man and carnal conditions, and through this faith gave man and conditions power over me. I believed in the mortal illusion created by the collective consciousness of error thoughts, and in doing so, I have limited the Unlimited. No more! This day I renounce my so-called humanhood and claim my divine inheritance as a Be-ing of God This day I acknowledge God and only God as my substance, my supply and my support.

- There are ten statements of Principle below. Read *one* statement each day. This means that you will go through the entire list four *times* during the 40-day period.

- After reading the daily statement — either upon arising or before going to bed in the evening—meditate on it for at least 15 minutes, focusing on each idea in the statement with great thoughtfulness and feeling — letting the ideas fill your consciousness.

- Following each meditation period, write down in your Journal the thoughts that come to you. *Be sure to do this daily.*

- Since you have *already* received an all-sufficiency of supply (all that Infinite Mind has is yours now). you can prove this Truth to your deeper mind by sharing your supply on a regular basis while you are working with the Plan. Giving is an esoteric science that never fails to produce results if it is done with love and joy, because the Law will shower you with a pressed down and multiplied return. But if you tithe (and I really prefer the word “sharing” to tithing) as a mechanical and calculated method to please God, unload guilt, meet a sense of obligation and play a bartering game with the Law, no one benefits — not even the receiver. Give with love, joy, and a sense of fun and the windows of heaven will be thrown open with a blast!

THE STATEMENTS OF PRINCIPLE:

1. **God** is lavish, unfailing Abundance, the rich omnipresent substance **of** the Universe. This all-providing Source **of** infinite prosperity is individualized *as* me — the Reality of me.
2. I lift up my mind and heart to be aware, to understand, and to know that the Divine Presence I AM is the Source and Substance of all my good.
3. I am conscious of the Inner Presence *as* my lavish Abundance. I am conscious of the constant activity of this Mind of infinite Prosperity. Therefore, my consciousness is filled with the Light of Truth.
4. Through my consciousness of my GodSelf, the Christ within, as my Source, I draw into my mind and feeling nature the very substance of Spirit. This substance is my supply, thus my consciousness of the Presence of God within me *is* my supply.
5. Money is not my supply. No person, place or condition is my supply. My awareness, understanding and knowledge of the all-providing activity of the Divine Mind within me is my supply. My consciousness of this Truth is unlimited, therefore, my supply is unlimited.
6. My inner supply instantly and constantly takes on form and experience according to my needs and desires, and as the Principle of Supply in action, it is impossible for me to have any needs or unfulfilled desires.
7. The Divine Consciousness that I am is forever expressing its true nature of Abundance. This is its responsibility, not mine. My only responsibility is to be aware of this Truth. Therefore, I am totally confident in letting go and letting God appear as the abundant all-sufficiency in my life and affairs.
8. My consciousness of the Spirit within me *as* my unlimited Source is the Divine Power to restore the years the locusts have eaten, to make all things new, to lift me up to the High Road of abundant prosperity. This awareness, understanding and knowledge *of* Spirit appears as every visible form and experience that I could possibly desire.
9. When I am aware of the God-Self within me *as* my total fulfillment, I am totally fulfilled. I am now aware of this Truth. I have found the secret of life, and I relax in the knowledge that the Activity of Divine Abundance is eternally operating in my life. I simply have to be aware of the flow, the radiation, of that Creative Energy, which is continuously, easily and effortlessly pouring forth from my Divine Consciousness. I am now aware. I am now in the flow.
10. I keep my mind and thoughts off “this world” and I place my entire focus on God within as the only Cause of my prosperity. I acknowledge the Inner Presence as the only activity in my financial affairs, as the substance of all things visible. I place my faith in the Principle of Abundance in action within me.

FRUITS OF THE HARVEST

Based on letters from Quartus members, the 40-Day Prosperity Plan is an effective process in changing consciousness from a vibration of limitation to one of abundance. Here are a few examples:

- “I am half-way through the 40-day program and already I am experiencing daily miracles in my life, and growing marvelously well spiritually. I am becoming WHOLE!”— California
- “I had planned on writing you at the end of my 40-Day Prosperity treatment. I’m only on day 35 but with the experience of this past weekend, plus the fact that while I’m downtown mailing this letter I am going to the bank to pay off the note on my house, I feel it safe to say I’m pointed in the right direction. One more note. This most recent demonstration has come almost 7 months to the day that I was introduced to Truth, so to those I have run across that seem to be waiting for the far-off day when they receive their enlightenment, today is when it happens, not after X number of books or X number of gurus.” — Kansas
- “The wondrous results from the 40-day plan have been beautiful.”—Ohio
- “I began the program for abundance 10 days ago and it is absolutely amazing the revelations I have been receiving about myself. Today I feel as though I have been given a marvelous shot of Cosmic strength and faith, and so I have.”—California
- “You have expanded and enriched my pilgrimage in the last year for which I am very grateful. I particularly appreciated the 40-Day Prosperity Plan. . . it allowed me to let go of some of the past, and I had an immediate manifestation of prosperity. I am now ready to move to a new level.”—Texas
- “...please accept my gratitude for the 40-Day Prosperity Program. . . I have used it faithfully with excellent results. . . I notice the increase in abundance already, due I believe to the increased and expanded consciousness created by the practices.”— Tennessee
- “On the 30th day of the 40-Day Prosperity Plan my husband was offered a promotion and a sizeable increase in salary. On the 40th day an old bill that we never expected to receive payment on was paid in full. We’re so excited that we’re going to go through the Plan a second time.” — California
- “I have just completed the 40-day program for prosperity. IT WORKS! I needed new furnishings for my bedroom. . . what I had was all worn out and I did not know where the money was coming from to make the changes. Then the day after I completed the program I received some money, but the amount could not buy all I needed because furniture in this area is so expensive. So I said, ‘Dear Lord, this is what I have.. . I’m going out there with it so direct me to the right place where I can get what I want for what I have. Well, I found the right furnishings—just as I had visualized—for the right price with \$100 left over and delivered the same day. God is so wonderful! I promise to keep working with the program as a daily prayer.” — New York
- “I am delighted at all the fantastic events that have taken place in my life since following the 40-Day Prosperity Program. It is a wonderful program, but I must admit that it took me several tries before I reached the fortieth day. It is not only a prosperity program but a program in faith and discipline. I would get halfway through the affirmations and then I would be faced with a

challenge and quit. My faith was very weak. Through determination and perseverance I have had tremendous results and I am so thankful to God. I finally realized what God was trying to tell me.” — Missouri

- “I had been troubled with the thought of money — letting it rule me. Then I began the 40-Day Prosperity Plan and all things were made new. Thank you!”—Texas

- “. . . finally did the 40-Day abundance program. About the 20th day both my husband and I experienced major changes. He now has a wonderful new position and I have rediscovered my artistic ability to paint. . . am on third oil painting.” — California

- “I’m on the fourth go-round with the 40-Day Prosperity Plan, and each time more abundance appears in my life. I’ve also noticed that in the process, more junk has been cleaned out of my consciousness than at any other time in my life. Now I know what it means to ‘make room for God.’” — Texas

- “. . . the forty day Prosperity Program is showing me the way to live each day in total joy and fulfillment.”—Alabama

- “I feel that we are beginning to get a handle on prosperity. During January and February almost 60% of our cash in the bank came from unexpected sources. This is the first time in my life that my employment contributed less than half of my income. (Also) on Monday, March 19, I will walk into the bank and pay off the loan on my car. Not bad at all considering I owed almost \$5,000 on it the first of the year.” — Texas
